

## Val Gardena Dolomites

Press release

### Rock in the snow in Val Gardena from 11 to 19 March 2017

*Rock The Dolomites returns with lots of concerts at the foot of the mountains.*

**Val Gardena, 29 November 2016** - The dates have been set for the new edition of **Rock The Dolomites**, the much awaited musical event that offers high-quality rock music... at high altitude.

This year from **11 to 19 March 2017**, over a week of good music, numerous groups will perform against the magnificent backdrop of the snow-capped mountains of the Dolomites in the [Val Gardena](#) valley, a UNESCO world heritage site.

The music festival will start on **Saturday 11 March at 14:00** with a concert from the **Nolunta's**, a veteran group of this event, who with their music and songs rich in love, hope and positivity will instil a new energy in the audience of the **Rifugio Salei**, at the foot of the Langkofel mountain (2,225 m).

**Sunday 12 March at 14:00** the performance will be by **MadaX** at **Baita Ciampac**, at the foot of Monte Stevia in the Puez-Geisler Nature Park. With the help of this marvellous natural context, MadaX, in addition to performing covers of famous groups like Toto, will

also perform their own songs.

**Cäsh & Go**, cover band of the Alto Adige region with exhilarating Rock and Roll music, will perform on **Monday 13 March** at **15:00** at **Après Ski Snowbar Ruacia**. Get involved with their repertoire for the young and old, ranging from German pop to hard rock classics.

**Baita COMICI** at **11:00**, **Tuesday 14 March**: **The Jam'son**, energetic cover rock band will bring top music to the refuge, every morning at **11:00**, but on **Wednesday 15 March** it will be **Back in Style's** turn, who will play at **2,100 m** on the Alpe di Ciampinoi at **Baita Saslonch**. The six young musicians, some of them from Val Gardena, will play for the first time "in house" and will perform Soul and R&B songs from the '90s onwards, with covers of Christina Aguilera, Alicia Keys, Shakira and many others.

Six young people and eight wind instruments will get the public involved with a really special genre. **Pamstiddn Kings** will perform on **Thursday 16 March** at **15:00** at **Piz Setëur**, on the slopes of the Sella group of mountains.

**Friday 17 March** at **14:00**, at **Baita Panorama**, **Jackie Rose** will present a real Rock and Roll performance: lights, pyrotechnic effects, costumes and a repertoire with all the best rock from the '70s/'80s. Entertainment is guaranteed.

Another veteran group of Rock The Dolomites are **Pëufila**, who this year will perform at **Après Ski La Stua**, at **17.00**. The Val Gardena band, very popular among local audiences, will alternate between their own songs and cover songs in various languages, including English and Ladin.

**Spolpo Blues Band** will close the event at **Dantercëpies Mountain Lounge**. The historic band, who have played with and for performers like Zuccherò, will start their concert at **15.00** at **2,305 metres**, against the splendid scenery of the Cir, Sella and Langkofel mountains.
