Madax

La band della Val Gardena Madax esiste da oltre 10 anni. Nel 2017 è uscito il loro primo album "Individuum", seguito da numerose esibizioni dal vivo. Il batterista Samuel Walpoth è una nuova aggiunta, insieme a ulteriori composizioni originali. L'inconfondibile sound degli anni '80, le distinte sonorità di chitarra e sintetizzatore, e la gioia contagiosa sul palco sono rimasti immutati.

Die Grödner Band Madax besteht seit über 10 Jahren. 2017 erschien ihr erstes Album "Individuum", gefolgt von zahlreichen Live-Auftritten. Neu sind Schlagzeuger Samuel Walpoth und weitere Eigenkompositionen. Der unverkennbare 80er Sound, prägnante Gitarren- und Synth-Klänge sowie die ansteckende Freude auf der Bühne sind geblieben.

The Val Gardena band Madax has been in existence for over 10 years. In 2017, they released their first album, "Individuum," followed by numerous live performances. Drummer Samuel Walpoth is a recent addition, along with new original compositions. The unmistakable 80s sound, distinctive guitar and synth tones, and the infectious joy on stage have remained constant.

PopCorner

I Popcorner nascono da un angolo di musica in Val di Fassa. Il genere musicale non importa. Ciò che non ha che fare con fisarmoniche o corni di montagna li incuriosisce. Dalle melodie più iconiche a quelle più suggestive e sperimentali, la band riesce a creare un ambiente unico e coinvolgente. Protagonisti sette giovani musicisti impegnati nella creazione di un album inedito in lingua ladina che uscirà a breve.

Popcorner kommen aus einer musikalischen Ecke des Fassatal. Die Musikrichtung spielt keine Rolle. Alles, was nicht mit Akkordeons oder Alpenhörnern zu tun hat, fasziniert sie. Von den ikonischsten Melodien bis hin zu den evokativsten und experimentellsten, gelingt es der Band, eine einzigartige Atmosphäre zu schaffen. Die sieben junge Musiker sind gerade dabei eins neues Album in der ladinischen Sprache aufzunehmen.

Popcorner were born from a musical corner in Val di Fassa. The musical genre doesn't matter. Anything unrelated to accordions or alpenhorns intrigues them. From the most iconic to the most evocative and experimental melodies, the band manages to create a unique and engaging atmosphere. The seven young musicians are currently recording a new album in the Ladin language, set to be released soon.

Timbreroots

Timbreroots' Signature (Live) si compone di un mix di Ambient Indie Folk, Britpop e Alternative Rock con tocchi di musica contemporanea. Il canto epico, fino a cinque voci, è accompagnato da chitarre, banjo, piano, keyboards, batteria e marimba. Questa varietà strumentale conferisce ai testi profondi delle canzoni l'espressione adeguata, i quali vengono interpretati in modo impressionante dal frontman Benedikt Sanoll.

Timbreroots' Signature (Live) Sound ergibt sich aus Ambient Indie Folk, Britpop und Alternative Rock mit Einwürfen von zeitgenössischer Musik. Der epische, bis zu 5-stimmige Gesang, begleitet von Gitarren, Banjo, Piano, Keyboards, Schlagwerk und Marimba, verleiht ihren tiefgründigen Songtexten den passenden Ausdruck, diese werden von der vielseitigen Stimme des Leadsängers Benedikt Sanoll beeindruckend interpretiert.

Timbreroots' Signature (Live) is composed of a blend of Ambient Indie Folk, Britpop, and Alternative Rock with interjections of contemporary music. The epic, up to five-part harmony vocals are accompanied by guitars, banjo, piano, keyboards, drums, and marimba. This instrumental variety gives the profound lyrics of the songs the appropriate expression, which is impressively interpreted by the frontman Benedikt Sanoll.
